Worcester, June 23,

Dear Sir

I am sorry to see my name in the headlines of the 4th July meeting.

I did not authorize it, but told Mr. Macy that I probably could not be there. Please omit my name in the Liberator advertisement.

I have agreed with Mrs. Foster to call a meeting of the State Division Committee on Tuesday next at 12 M. at my office. Please not fail to be present, as Mrs. Macy may not be.

Cordially

T. W. Higginson
